

SUBJECT INDEX

VOLUME NO. 26

- ANEURYSM.** Aneurysmal involvement of the optic nerve: Case report [Milliser and others] 101
- ANNOUNCEMENT.** [Bronstein and others] 52
- ANTIBODIES.** Antiskin antibodies after burns in rats [Nathanson] 88
- ASPIRATION.** Percutaneous needle aspiration and biopsy of peripheral lung lesions [Yam and Levine] 18
- BIOPSY.** Percutaneous needle aspiration and biopsy of peripheral lung lesions [Yam and Levine] 18
- BLADDER.** Urinary bladder function in rats following regeneration of direct and crossed nerve anastomoses [Kimmel] 1
- BLOOD PRESSURE.** Sigma Xi: Effect of cerebral sclerosis upon blood pressure [Lerner] 125
- BOOK RECEIVED.** 30
- BOOK REVIEWS.**
- History
 - Selected Readings in the History of Physiology.* [J. F. Fulton; L. G. Wilson] 180
 - Medical Practice
 - Ferment in Medicine.* [R. M. Magraw; D. B. Magraw] 121
 - Neuroanatomy
 - A Correlative Study Guide for Neuroanatomy.* [J. L. Hall; A. O. Humbertson] 181
 - Functional Neuroanatomy.* [N. B. Everett] 122
 - Obstetrics and Gynecology
 - Labor-Clinical Evaluation and Management.* [E. A. Friedman] 257
 - Oncology
 - Management of the Cancer Patient.* [T. F. Nealon] 256
- BRAIN DAMAGE.** Perceptual retraining in brain damage through the use of "controlled illumination" [Manaster] 56
- BRAIN MALFORMATION.** Large head and acute brain syndrome in a 17-year-old, mentally defective female [Lichtenstein and Veiga] 113
- BURNS.** Antiskin antibodies after burns in rats [Nathanson] 88
- CARCINOMA.** Optimal treatment for stage I carcinoma of the cervix [Nickson and Friedman] 24
- CARCINOMA, BRONCHOGENIC.** Bronchogenic carcinoma: A simple cytological office screening procedure for early detection [Carnow] 13
- CERVIX.** Optimal treatment for stage I carcinoma of the cervix [Nickson and Friedman] 24
- CLEFT LIP AND PALATE.** Cleft lip and palate: Progress and problems [Cole] 129
- CPC.** Hypercalcemia: Hyperparathyroidism vs. pseudohyperparathyroidism - A clinico-pathologic conference [Fishkin and others] 244
- Hypertension and muscle spasms [Reiss and Pirani] 39
- Large head and acute brain syndrome in a 17-year-old, mentally defective female [Lichtenstein and Veiga] 113
- Oliguria, edema and renal failure [Freedman and others] 167
- CYSTICERCOSIS.** Cysticercosis cerebri [Kassis and others] 188

DEDICATION

- Dedicated to Dr. John J. Sheinin [Karten and others] 53
- Dedicated to the memory of Leon H. Strong [no author] 127
- DETECTION, SPECTROPHOTOMETRIC.** Sigma Xi: Spectrophotometric detection of the reaction of formaldehyde with the imidazole group in proteins [Carino] 125
- DIVISION, CELL.** Sigma Xi: The persistence of a circadian rhythm in the cell division rate of corneal epithelium in rats maintained under constant illumination [Levin] 123
- EDITORIAL.** Some of my best friends are surgeons - Editorial [Soffer] 231
- EDUCATION.** A plea for a continuing liberal education in medicine [Dunee] 160
- ELECTROCARDIOGRAPHY.** Right bundle branch block - Electrocardiography seminar [Kurz] 232
- ESOPHAGUS.** A survey of the esophagus of the Mongolian gerbil [Bonheim and Millhouse] 64
- ETHICS.** Ethics and the surgeon [Zimmerman] 75
- FEAR.** The fear of fearing [Rappaport] 215
- FIBRINOLYTIC INHIBITORS.** Electrophoretic determination of fibrinolytic inhibitors in the plasma of dogs - Preliminary report [Schottenfeld and DeWall] 158
- GESTATION.** Accelerated gestation time in the Syrian hamster following low dose x-irradiation [Vedral and Laing] 31
- GLIOBLASTOMA MULTIFORME.** Large head and acute brain syndrome in a 17-year-old, mentally defective female [Lichtenstein and Veiga] 113
- GLOMERULONEPHRITIS.** Oliguria, edema and renal failure [Freedman and others] 167
- HALOTHANE.** Adverse hepatic reactions to halothane: Risks and safeguards [Haubrich] 95
- HEPATIC CELL.** Alteration of hepatic parenchymal cell nucleus-to-cytoplasm ratio in tumor-bearing mice [Rosene] 152
- HYPERCALCEMIA.** Hypercalcemia: Hyperparathyroidism vs. pseudohyperparathyroidism - A clinico-pathologic conference [Fishkin and others] 244
- HYPERPARATHYROIDISM.** Hypercalcemia: Hyperparathyroidism vs. pseudohyperparathyroidism - A clinico-pathologic conference [Fishkin and others] 244
- HYPERTENSION:** Hypertension and muscle spasms [Reiss and Pirani] 39
- LIBRARIES.** Medical libraries: A changing visage [Chesier] 98
- LSD.** LSD and the dying patient. [Kast] 80
- LUNG.** Percutaneous needle aspiration and biopsy of peripheral lung lesions [Yam and Levine] 18
- LYMPHEDEMA.** Roentgen diagnosis in lymphedema-Roentgenology seminar [Love] 162
- MUSCLE SPASMS.** Hypertension and muscle spasms [Reiss and Pirani] 39
- NERVE, OPTIC.** Aneurysmal involvement of the optic nerve: Case report [Milliser and others] 101
- OVARY.** The sclerocystic ovary syndrome [Pildes] 195
- PARATHYROID ADENOMAS.** Hypertension and muscle spasms [Reiss and Pirani] 39

- OVARY.** The sclerocystic ovary syndrome [Pildes] 195
- PARATHYROID ADENOMAS.** Hypertension and muscle spasms [Reiss and Pirani] 39

- PNEUMATOSIS COLI.** Roentgenology seminar [Levin] 33
- PSEUDOHYPERPARATHYROIDISM.** Hypercalcemia: Hyperparathyroidism vs. pseudohyperparathyroidism - A clinico-pathologic conference [Fishkin and others] 244
- PYELONEPHRITIS.** Hypertension and muscle spasms [Reiss and Pirani] 39
- RAGE.** Drug induced rage in cats [Vazquez and Sabelli] 137
- REACTIONS, HEPATIC.** Adverse hepatic reactions to halothane: Risks and safeguards [Hau-brich] 95
- RESERPINE.** Sigma Xi: Metabolic effects of reserpine in dogs [Thomas] 124
- RHYTHM, CIRCADIAN.** Sigma Xi: The persistence of a circadian rhythm in the cell division rate of corneal epithelium in rats maintained under constant illumination [Levin] 123
- ROENTGENOLOGY SEMINAR.** Pneumatosis coli [Levin] 33
Roentgen changes in renal tuberculosis - Roentgenology seminar [Lasky] 236
Roentgen diagnosis in lymphedema - Roentgenology seminar [Love] 162
- SCLEROSIS, CEREBRAL.** Sigma Xi: Effect of cerebral sclerosis upon blood pressure [Lerner] 125
- SEX.** A case of facultative sexual identity [Rap-paport] 145
- SPLEEN.** Accessory spleen and experimental splen-osis: Principles of growth [Movitz] 183
- STATISTICS.** The mystic statistic [Schor] 126, 182, 258
- SURGEONS.** Some of my best friends are sur-geons - Editorial [Soffer] 231
- TRANSPLANTATION.** The impact of renal trans-plantation on modern medicine [Dunea] 203
- TUBERCULOSIS.** Roentgen changes in renal tuber-culosis - Roentgenology seminar [Lasky] 236
- YELLOW FEVER.** An observation on the yellow fever epidemic in Memphis and Shelby County Tennessee in 1878 [Grossman] 227
- X-IRRADIATION.** Accelerated gestation time in the Syrian hamster following low dose x-irradiation [Vedral and Laing] 31

VOLUME NO. 27

- AMYOTROPHIC LATERAL SCLEROSIS.** Amyo-trophic lateral sclerosis with demyeliniza-tion of the posterior columns [Barron and others] 57
- ANEURYSM, BERRY.** An unusual case of intra-cranial berry aneurysm co-existing with "subclavian steal" syndrome [Nathanson and Tinsley] 111
- ANNOUNCEMENT.** [Karten] 170
- BONE.** Affections of bone mimicking pulmonary disease on the chest roentgenogram [Levin and Malmed] 51
- BOOKS RECEIVED.** 123
- BOOK REVIEWS**
- Cardiology
Treatment of Heart Disease in the Adult. [I. L. Rubin; H. Gross; S. R. Arbeit] 122
- Cytogenetics
Medical Cytogenetics. [M. Bartalos; T. A. Baramki] 230
- Geriatrics
The Care of the Geriatric Patient. [E. V. Cowdry] 231

- Hematology, Clinical
Clinical Hematology. [M. M. Wintrobe] 169
- Medicine
The Coming Revolution in Medicine. [D. Rutstein] 71
- Obstetrics and Gynecology
Gynecologic and Obstetric Pathology with Clinical and Endocrine Relations. [R. Novak; J. D. Woodruff] 72
- Pediatrics
Handbook of Congenital Malformations. [A. Rubin] 121
- Radiology
Roentgenologic Diagnosis: A Complement in Radiology to the Beeson and McDermott Textbook of Medicine. [J. G. Tepleck; M. E. Haskin; A. P. Schimert] 123
- CANCER.** [Kolb] 167
- CARCINOMA.** Metastatic carcinoma of the pro-state - Unusual sites [Rogue and Goldberg] 42
- CEREBROSPINAL FLUID.** Cerebrospinal fluid pleocytosis in hypoglycemic coma [Tashima and Ngo] 108
- CHROMOSOMES.** Chromosome mapping of the Duffy blood group locus [Pergament and others] 216
Medical cytogenetics [Uy and Krmpotic] 3
Medical cytogenetics part II: Autosomal chromosome abnormalities [Krmpotic and others] 90
Medical cytogenetics part III: Sex chromo-some abnormalities and autoradiography of human chromosomes [Krmpotic and others] 125
Medical cytogenetics part IV: Chromosomes in malignancies [Krmpotic and Zellner] 171
- COMA, HYPOGLYCEMIC.** Cerebrospinal fluid pleocytosis in hypoglycemic coma [Tashima and Ngo] 108
- CPC.** Amyotrophic lateral sclerosis with demyelini-zation of the posterior columns [Barron and others] 57
- CYTOGENETICS.** Medical cytogenetics [Uy and Krmpotic] 3
Medical cytogenetics part II: Autosomal chromosome abnormalities [Krmpotic and others] 90
Medical cytogenetics part III: Sex chromo-some abnormalities and autoradiography of human chromosomes [Krmpotic and others] 125
Medical cytogenetics part IV: Chromosomes in malignancies [Krmpotic and Zellner] 171
- DEDICATION.** 1
- DEMYELINIZATION.** Amyotrophic lateral scler-osis with demyelination of the posterior columns [Barron and others] 57
- DERMATOGLYPHICS.** Dermatoglyphics [Chernay and Krmpotic] 22
- DIGITALIS.** Digitalis: Two centuries later [Luis-ada] 186
- DUFFY BLOOD GROUP.** Chromosome mapping of the Duffy blood group locus [Pergament and others] 216
- DYSPHAGIA, SIDEROPENIC.** Sideropenic dys-phagia in polycythemia vera [Tashima] 164
- EDITORIAL.** [Kolb] 167
Obstetrics: Past and future - Editorial [Friedman] 46
Research in medicine [Luisada] 119

- ELECTROCARDIOGRAPHY SEMINAR.** Acute pericarditis: Electrocardiography seminar [Kurz] 49
- ENDOCRINE DISTURBANCES.** Endocrine and metabolic disturbances associated with leukemia [Tashima] 17
- ENVIRONMENTAL TOXICANTS.** Prenatal and early postnatal exposure to environmental toxicants. [Nair and DuBois] 75
- ENZYMES.** Serum enzymes in chronic hemodialysis [Versaci and others] 222
- ENZYMES, CREATINE PHOSPHOKINASE.** Serum creatine phosphokinase activity in myocardial infarction: Its diagnostic and prognostic significance [Sapienza and others] 114
- ERRATA.** Correction of article starting on page 36 or volume 27 [editors] 124
- HEMODIALYSIS.** Serum enzymes in chronic hemodialysis [Versaci and others] 222
- HOLOACARDIUS.** Fetus holocardius: A complication of monochoiral twinning [Keith and others] 30
- INFORMATION, MEDICAL.** Medical information retrieval [Iyengar] 36
- LEUKEMIA.** Endocrine and metabolic disturbances associated with leukemia [Tashima] 17
- MEDICINE.** Medica etcetera: Humanity and compassion in medicine [Zimmerman] 233
- MYOCARDIAL INFARCTION.** Serum creatine phosphokinase activity in myocardial infarction: Its diagnostic and prognostic significance. [Sapienza and others] 114
- NEUTRON ACTIVATION.** Neutron activation analysis - A tool in medicine [Kanabrocki and others] 151
- OBSTETRICS.** Obstetrics: Past and future - Editorial [Friedman] 46
- PERICARDITIS.** Acute pericarditis: Electrocardiography seminar [Kurz] 49
- POLYCYTHEMIA VERA.** Sideropenic dysphagia in polycythemia vera [Tashima] 164
- PROSTATE.** Metastatic carcinoma of the prostate - Unusual sites [Rogue and Goldberg] 42
- RESEARCH.** Research in medicine - Editorial [Luisada] 119
- ROENTGENOLOGY SEMINAR.** Affections of bone mimicking pulmonary disease on the chest roentgenogram [Levin and Malmel] 51
- STATISTICS.** The mystic statistic [Schor] 73, 124, 170
- SUBCLAVIAN STEAL SYNDROME.** An unusual case of intracranial berry aneurysm coexisting with "subclavian steal" syndrome [Nathanson and Tinsley] 111
- SUTURE.** Suture and knot tying practice board [Simon] 118
- THALASSEMIA.** Correlation of the biochemical-genetic and clinical-hematologic features of thalassemia [Rosen] 140
- TWINS.** Fetal holocardius: A complication of monochoiral twinning [Keith and others] 30
- VOLUME NO. 28**
- AMNESIA.** Recognition - Amnesia in the dream state [Rony and Libert] 68
- AMYLOPHAGIA.** Amylophagia during pregnancy: A second look [Keith and others] 109
- ANATOMY.** Medica etcetera no. 3: Important anatomy lesson for Rembrandt [Pevsner] 143
- ANGIOCARDIOGRAPHY.** The effects of angiocardiology on renal function and fluid and electrolyte balance [Pinsker and others] 1
- ANTIBIOTIC THERAPY.** Antibiotic therapy for perforated appendicitis in children [Raffensperger and Metzger] 179
- APPENDICITIS.** Antibiotic therapy for perforated appendicitis in children [Raffensperger and Metzger] 179
- ARRHYTHMIAS.** Disorders of cardiac rhythm and conduction: Their diagnosis and management. [Martin] 145
- BARBITURATES.** An ontogenetic study of the effects of exposure to x-irradiation on the pharmacology of barbiturates [Nair] 9
- BOOK REVIEW**
Psychiatry
Psychoanalysis: Uses and Abuses. [L. J. Friedman] 142
- CARDIAC PROBLEMS:** Disorders of cardiac rhythm and conduction: Their diagnosis and management [Martin] 145
- CHROMOSOMES.** Epidemicity of chromosome aberrations: An assessment of epidemiological investigations on chromosome aberrations [Pergament] 57
- COMPLIANCE THEORY.** Hypnosis and a compliance theory for psychotherapy [Garner] 115
- CONFRONTATION PROBLEM - SOLVING THERAPY.** Confrontation problem-solving therapy applied to operant conditioning theory [Garner] 127
- CORONARY CARE.** Some considerations on intensive coronary care [Martin] 51
- DIALYSIS.** Management of drug intoxication: The role of dialysis [Smith] 44
- EDUCATION.** The approach to medical education: Where now? [Shaffer] 190
- ELECTROLYTES.** The effects of angiocardiology on renal function and fluid and electrolyte balance [Pinsker and others] 1
- EPIDEMIOLOGY.** Epidemicity of chromosome aberrations: An assessment of epidemiological investigations on chromosome aberrations [Pergament] 57
- ERRATA.** Correction of article starting on page 222 of volume 27 [editors] 74
Correction of article starting on page 109 of volume 28 [editors] 195
- FRIENDSHIP.** Medica etcetera: Friendship, John Hunter and Edward Jenner [Pilz] 73
- GALACTORRHEA.** Galactorrhea [Gordon and Cicurel] 133
- HYPOADRENOCORTICISM.** Functional hypoglycemia: Its significance and the relationship with hypoadrenocorticism [Holinger] 184
- HYPOGLYCEMIA.** Functional hypoglycemia: Its significance and the relationship with hypoadrenocorticism [Holinger] 184
- HYPERACTIVITY, CHILDREN.** REM deprivation and hyperactivity in children [Luisada] 97
- HYPNOSIS.** Hypnosis and a compliance theory for psychotherapy [Garner] 115
- INTOXICATIONS, DRUG.** Management of drug intoxications: The role of dialysis [Smith] 44
- LEAD.** Lead, lithium and manic-depressive psychosis [Stern] 87
- LITHIUM.** Lead, lithium and manic-depressive psychosis [Stern] 87

- PORPHYRIA.** Porphyria and pregnancy [Normanhoy and Katz] 26
 Porphyria variegata - A disease of kings [Dunea] 29
- PREGNANCY.** Amylophagia during pregnancy: A second look [Keith and others] 109
 Porphyria and pregnancy [Normanhoy and Katz] 26
- PSYCHOSIS, MANIC-DEPRESSIVE.** Lead, lithium and manic-depressive psychosis [Stern] 87
- PSYCHOTHERAPY.** "Growth" and psychotherapy [Danesh] 75
 Hypnosis and a compliance theory for psychotherapy [Garner] 115
 Confrontation problem-solving therapy applied to operant conditioning theory [Garner] 127
- REM DEPRIVATION.** REM deprivation and hyperactivity in children [Luisada] 97
- RENAL FUNCTION.** The effects of angiocardigraphy on renal function and fluid and electrolyte balance [Pinsker and others] 1
- TRANSPLANTATION.** Organ transplantation - Today and tomorrow [Cohen] 33
- X-IRRADIATION.** An ontogenetic study of the effects of exposure to x-irradiation on the pharmacology of barbiturates [Nair] 9
- VOLUME NO. 29**
- AMNIOTOMY.** The effect of amniotomy on progress in the first stage of labor [Poma-Herrera and others] 184
- ANNOUNCEMENT.** 166
- ARTERIOVENOUS FISTULAS.** Arteriovenous fistulas: Clinical cases and review of literature [Waldman and others] 167
- ASEPTIC NECROSIS.** Aseptic necrosis of the femoral heads occurring in sickle cell trait [Greenfield] 227
- BERRY ANEURYSM.** Clinical pathological conference: Sudden coma in a fifty-four-year-old-male [Torres and Thomas] 210
- BOERHAAVE'S SYNDROME.** Boerhaave's syndrome: Spontaneous rupture of the esophagus [Bonheim and Alavi] 31
- CARDIAC FAILURE.** Cardiac failure with infective endocarditis: A review [Perlo] 54
- CHROMOSOMES.** Autosomal chromosome abnormalities [Krpmotic and others] 76
 Basic cytogenetics [Uy and Krmpotic] 57
 Chromosomes in malignancies [Krpmotic and Zellner] 118
 Dermatoglyphics [Chernay and Krmpotic] 153
 Family counseling [Krpmotic and others] 134
 LSD and chromosomes [Friedel] 9
 Sex chromosome abnormalities [Krpmotic and others] 99
- COUNSELING.** Family counseling [Krpmotic and others] 134
- CPC.** Clinical pathological conference: Sudden coma in a fifty-four-year-old male. [Torres, and Thomas] 210
- CYTOGENETICS.** Autosomal chromosome abnormalities [Krpmotic and others] 76
 Basic cytogenetics [Uy and Krmpotic] 57
 Chromosomes in malignancies [Krpmotic and Zellner] 118
 Dermatoglyphics [Chernay and Krmpotic] 153
 Family counseling [Krpmotic and others] 134
- Sex chromosome abnormalities [Krpmotic and others] 99
- DEATH.** The determination of the time interval following death by morphological, physical and chemical observation [Jacoby] 203
- DEPRESSION.** Serotonin, and its effects on the pituitary-adrenal axis in depression [Stern] 24
- DERMATOGLYPHICS.** Dermatoglyphics [Chernay and Krmpotic] 153
- ENDOCARDITIS, INFECTIVE.** Cardiac failure with infective endocarditis. A review [Perlo] 54
- ESOPHAGUS.** Boerhaave's syndrome: Spontaneous rupture of the esophagus. [Bonheim and Alavi] 31
- FEMORAL HEAD.** Aseptic necrosis of the femoral heads occurring in sickle cell trait [Greenfield] 227
- FORENSIC PATHOLOGY.** The determination of the time interval following death by morphological, physical and chemical observation [Jacoby] 203
- HEMODIALYSIS.** Experience with a new hemodialyzer, the EX-03 dialyzer cartridge [Reddy and others] 235
- HEMORRHAGE, INTRACEREBRAL.** Clinical pathological conference: Sudden coma in a fifty-four-year-old male [Torres and Thomas] 210
- HYDRONEPHROSIS.** Giant hydronephrosis in horseshoe kidney, presenting as right upper quadrant mass and jaundice [Javadpour and others] 37
- JAUNDICE.** Giant hydronephrosis in horseshoe kidney, presenting as right upper quadrant mass and jaundice [Javadpour and others] 37
- KIDNEY, HORSESHOE.** Giant hydronephrosis in horseshoe kidney, presenting as right upper quadrant mass and jaundice [Javadpour and others] 37
- LABOR.** The effect of amniotomy on progress in the first stage of labor [Poma-Herrera and others] 184
- LEUKEMIA, PERINATAL-CONGENITAL.** A review: Perinatal-congenital leukemia in twins [Keith and others] 1
- LSD.** LSD and chromosomes [Friedel] 9
- LUNG COLLAPSE.** Right middle lobe evaluation [Kim and Berkowitz] 52
- MASS, RIGHT UPPER QUADRANT.** Giant hydronephrosis in horseshoe kidney, presenting as right upper quadrant mass and jaundice [Javadpour and others] 37
- PITUITARY-ADRENAL AXIS.** Serotonin, and its effects on the pituitary-adrenal axis in depression [Stern] 24
- PLASMACYTOMA.** An integrated approach to multiple and solitary plasmacytoma. [Waldman] 190
- PREGNANCY.** Monoamniotic twin pregnancy with the transfusion syndrome: A case report [Meyer and others] 42
- ROENTGENOLOGY SEMINAR.** Right middle lobe evaluation [Kim and Berkowitz] 52
- SEROTONIN.** Serotonin, and its effects on the pituitary-adrenal axis in depression [Stern] 24
- SICKLE CELL TRAIT.** Aseptic necrosis of the femoral heads occurring in sickle cell trait [Greenfield] 227
- TRANSFUSION SYNDROME.** Monoamniotic twin pregnancy with the transfusion syndrome: A case report [Meyer and others] 42

- TWINS. A review: Perinatal-congenital leukemia in twins [Keith and others] 1
- VOLVULUS. Ceco-sigmoid volvulus. [Shirazi and others] 231

VOLUME NO. 30

- ACHALASIA. Roentgenological seminar [Feltman and Araujo] 37
- ANNOUNCEMENT. 102
- CARDIAC MURMURS. Dynamic correlations of cardiac murmurs [Luisada] 68
- CHROMATOGRAPHY. Vaginal odor chromatographic assays: Changes caused by douche or suppository [Keith and others] 1
- DISEASE, MALIGNANT. Fever in malignant disease [Kataria] 78
- DOCTOR. The doctor and the devils [Bush] 97
- DOWN'S SYNDROME. Low set ears and small oral cavity with relative macroglossia in Down's syndrome [Krmptotic-Nemanic and Schulz] 41
- EDITORIAL. Why not a two year elective? [Feltman and others] 36
- ENDOCARDITIS. Infective endocarditis: A new look [Perlo] 23
- FAMILY PLANNING. Male attitudes toward family planning [Keith and others] 59
- FEVER. Fever in malignant disease [Kataria] 78
- INJURY, SPINE. Management of acute spinal cord injury [Torres and Ferguson] 12
- MURMURS. Dynamic correlations of cardiac murmurs [Luisada] 68
- ODOR, VAGINAL. Vaginal odor chromatographic assays: Changes caused by douche or suppository [Keith and others] 1
- REFLEX, GLABELLAR. Glabellar reflex in lower mammals [Haufrect and Klawans] 64
- RENOSCOPY. Ureteroscopy and renoscopy [Bush and others] 46
- ROENTGENOLOGY SEMINAR. Roentgenological seminar [Feltman and Araujo] 37
- Roentgenological seminar [Rothman and Araujo] 95
- SPINAL CORD. Management of acute spinal cord injury [Torres and Ferguson] 12
- SYNDROME, SCIMITAR. Roentgenological seminar [Rothman and Araujo] 95
- ULTRASOUND. Ultrasound in obstetrics and gynecology [Keller] 86
- URETEROSCOPY. Ureteroscopy and renoscopy [Bush and others] 46
- WILSON-MIKITY SYNDROME. Wilson-Mikity syndrome: A pulmonary disorder of premature infants [Harris] 50
